Applications close midnight Tuesday 31st May 2022.

iPromise Sustainability Grants Application Form 2022- Energy Efficiency

Your organisation's name:

Have you received an iPromise Sustainability Grant or any other sustainable grant in the past?

If yes, please provide us with details of which grant you received, how much and what it was used for.

How did you hear about the iPromise Sustainability Grants?

Outline your proposed project for 'Energy Efficiency'. Please include why you have chosen to undertake this project and how it relates to the theme of Energy Efficiency.

Who will be responsible for co-ordinating the project and who will be involved in designing/implementing it (e.g. students, parents, children, community, volunteers etc).

Please outline your total project budget. As the grant pool is often shared between projects, the more specific you can be the better. Feel free to include any donated items, volunteer labour, additional fundraising, repurposed items etc. Remember to attach any quotes when you email your application.

How much funding are you seeking from the iPromise Grants in total? Could your project still go ahead with partial funding?

How do you propose your project will improve environmental awareness in your community/school/organisation?

How you will measure the success of your project?

What are your long-term plans for the project? Who will be responsible for maintaining the project in the future? How will it be funded?

If successful, when do you anticipate to start and complete your project?

If successful, do you agree to complete the iPromise Grants Update and Funding Report Form and return it, along with photos, to Tradies by the nominated date? Please note that the report and photos may be used on the Tradies website, enews and social media.

To speed up the payment process if your application is successful, please provide us with your nominated bank account details including account name, account number and BSB. If you would prefer a cheque, please write the name you would like the cheque to be made out to.

First name:

Last Name:

Phone number:

Email address:

Please save your completed PDF & email it as an attachment to greenteam@tradies.com.au with the name of your organization and 'iPromise Grants Application 2022' in the subject.

e.g. Tradies GyMEA iPromise Grants Application 2022

Remember to attach any quotes you have obtained or other supporting material.

Applications must be emailed by midnight Tuesday 31st May 2022.
